COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

ISSUE FEE

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Applicant respectfully disagrees with the Examiner's Statement of Reasons for Allowance and/or Applicant believes that the Examiner's Statement of Reasons for Allowance is incomplete.

Applicant respectfully submits that the cited art does not teach or suggest the combinations of features set forth in the Applicant's claims. By way of nonlimiting example, Applicant submits the submitted references at least do not appear to teach or suggest the feature of automatically reading identified additional information from one or more source fields of the administration system in response to receiving at least one incoming transaction from the at least one sending trading partner, automatically modifying the additional information read from the source fields using one or more of the source-side functions or one or more of the destination-

side functions, automatically selecting one or more destination fields using pathways established in the generated map, and automatically adding the modified additional information to the one or more selected destination fields, and automatically generating at least one outgoing transaction, wherein the at least one outgoing transaction comprises data from the incoming transaction and the modified additional information read from one or more source fields of the administration system, in combination with the other features of Applicant's independent claims.

If any fees are inadvertently omitted or if any additional fees are required or have been overpaid, please appropriately charge or credit those fees to Meyertons, Hood, Kivlin, Kowert & Goetzel, P.C. Deposit Account No. 50-1505/5053-23300/EBM.

Respectfully submitted,
